

## PRICING STRUCTURE

### Once-off Installation and Hardware Cost:

Wireless internet access installations from R1 800.00

Installation is based on area and equipment needed. The equipment is purchased by the client and therefore remains their property.

### Monthly Bandwidth Cost:

Service Description	Monthly Subscription	Usage per month (GB)	Extra Usage (charged per GB)
Entry	R 120	1GB	R 99
Single - 2 free email addresses	R 188	2GB	R 99
Entrepreneur - 3 free email addresses	R 257	3GB	R 99
Office - 5 free email addresses	R 395	5GB	R 99
Giant - 7 free email addresses	R 533	7GB	R 99
Corporate - 10 free email addresses	R 740	10GB	R 99
Premium - 15 free email addresses	R1 430	20GB	R 99
Platinum Network - negotiable	R 1,725	25GB	R 99
Gold Uncapped - 2 free email addresses	R 2,261	uncapped	-

We do not hard cap accounts. We do not cap your account when you have reached your bandwidth package as we regard our clients as important business people. We invoice you the excess usage in the first week of the following month.
